# ABOUT US

## MISSION STATEMENT

We strive to amplify and support marginalized and historically excluded individuals who professionally work outdoors in any natural resources field. We strive to offer tangible and actionable improvements in field research issues related to justice, equity, diversity, and inclusion (JEDI).

---

# BACKGROUND

## OUR GOALS

Field Inclusive seeks to center and amplify voices, visibility, and experiences of marginalized and historically excluded Field Researchers; work toward proper financial compensation and academic recognition on an institutional level; prioritize field safety for marginalized and historically excluded Field Researchers, both on an individual and institutional level; provide an accredited BIPOC field safety training course; support marginalized and historically excluded Field Researchers with scholarships for equipment, permits, skills training, field travel and lodging, field clothing, and other research-related expenses; and work toward making natural science field work more accessible and inclusive for people with mental and physical disabilities.

# AWARD SPONSORSHIPS

## RESEARCH AWARDS (\$500)

You can sponsor a marginalized and historically excluded individual in any natural science discipline who participate in a research project that involves outdoor data collection. Your donation will be used towards field research. This includes, but is not limited to, equipment, housing, transportation, or temporary technician salary.

## TRAVEL AWARDS (\$2000)

You can sponsor a marginalized and historically excluded individual to help them attend a scientific conference. Your donation would be helping with registration fees, travel and lodging costs.

---

# PROGRAM SPONSORSHIPS

## FELLOWSHIPS (\$5000)

These fellowships help marginalized and historically excluded individuals to overcome financial barriers often associated with participating in unpaid internship experiences. Your sponsorship would help with relocation fees, rent, groceries, and more for the recipient who receives this award.

## EDUCATIONAL PROGRAMS (\$1000)

You can sponsor annual FI programs such as our *Field Inclusive Week*, which will help assist with general operating expenses, as well as compensating our featured speakers.

# SPONSORSHIP PERKS

In addition to the appropriate sponsorship level perks, award and program sponsors receive the following perks:
